

WELCOME TO SAINT LUCIA

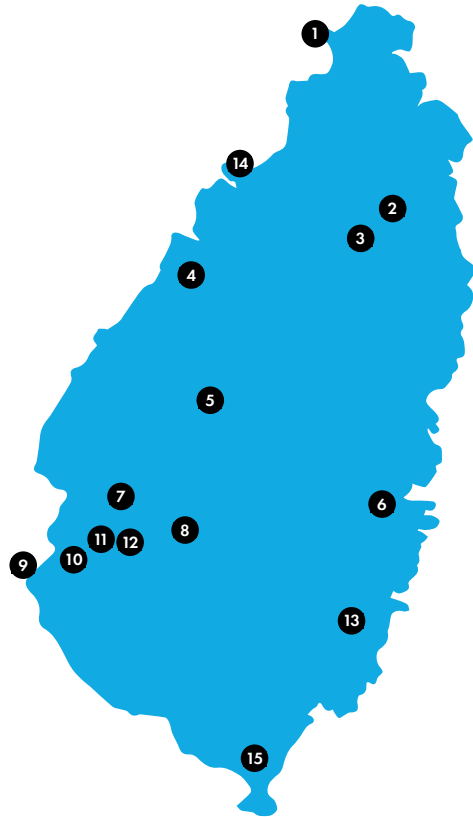

One of the most exciting and enchanting destinations on earth, Saint Lucia is an island like no other. Its stunning scenery and welcoming hospitality set the stage for all kinds of immersive events, experiences, and adventures. From the everyday to the extraordinary, Saint Lucia is a magical playground for all, with an annual calendar brimming with exciting events and activities for locals and visitors alike.

With a heritage as diverse as the landscape, we are immensely proud of our melting pot of cultures, which are celebrated in different ways on many days of the year. From fabulous festivals like the famous Jazz and Arts Festival in April and May, to captivating and colourful revelries like the Carnival in July, visitors can be swept away on a sea of celebrations. So much so that the entire month of October is dedicated to festivities honouring the island's cultural roots and culminates in Jounen Kwéyòl (Creole Day) on October 27th.

In addition to vibrant heritage and welcoming hospitality, this warm weather year-round destination is also an award-winning world of sport and adventure. Situated between the crystal waters of the Caribbean Sea and the Atlantic Ocean, our surrounding waters play host to Dive Fest Saint Lucia in September, with a week dedicated to all things marine life, and the Atlantic Rally for Cruisers (ARC) in November. Other sporting highlights include the ICC Men's T20 World Cup in June and the Caribbean Premier League T20 in August. However, it's not just the scheduled events that excite and inspire, every day on the island offers an opportunity to participate in all things Saint Lucian.
